

COURSES IN SLOVENE TO CHOOSE

DEPARTMENT OF ETHNOLOGY AND CULTURAL ANTHROPOLOGY, 2023/2024

Foreign students are welcome to attend lectures at our department. Generally, there are two options:

1. Attending regular lectures (in Slovene) combined with individual consultations.
2. Attending additional lectures, organized in English. As these lectures are additional and part of the Creole program, there may be some limitations in available places.

All lectures take place at the Department of Ethnology and Cultural Anthropology, Zavetiška 5 in Ljubljana. For additional information about lectures in English for foreign students in study year 2023/2024 contact dept. coordinator or course lecturer. Some of the courses will use e-learning system (<https://e-ucenje.ff.uni-lj.si/login/>)

You need to take care that the courses you select are in the term of your exchange. If you can't follow lectures in Slovene (which is to try) and therefore you need to do a course with individual consultations in English, this is generally possible for every course, but you need approval of the professor or assistant leading this particular course (after your arrival).

Note that there might still appear minor changes (or small mistakes).

All queries are to be directed to Sarah Lunaček, international coordinator of the department by mail (sarah.lunacek@ff.uni-lj.si or sarahlunacek@gmail.com) or in person during her contact hours.
